Proposal Text

Return Accidentally Sent Funds

Previously we established a rule that every half year we send back funds that were accidentally sent to contracts managed by Compound governance ([proposal 37](#)).

There was one request that meets the requirements: the [transaction](#) sent 5,000 USDT to the [cDAI](#) contract, after the 10% penalty applied we are sending back 4,500 USDT

Requests can be posted on the forum link below.
